N.A.M.E. Region N-1 Newsletter Winter 2020 Issue No. 43
Representing: Arizona; New Mexico; So. Nevada; El Paso, Texas and So. California

A Message from Jan Feldhouse, Our Regional Coordinator

On behalf of NAME and all our regional members, I wish to thank Nancy Robertson who was the state rep for Riverside, Orange and San Bernardino Counties and Janet Gordon who was the state rep for southern Nevada for their years of service. These ladies worked as state reps for years promoting NAME and sharing information with clubs in their respective areas. We appreciate your shared talents, ladies. Thank you again.

Judy Meyer will be the new state rep for Riverside, Orange and San Bernardino Counties. She may be reached at judmey@verizon.net. Sonia Burke will be the new state rep for southern Nevada. She may be reached at seburke67@yahoo.com.

I encourage you to attend any of the miniature shows either in our region or elsewhere in the country. It's good to support our artisans and it is my personal experience that you will see some truly unique items.

I took my own challenge up from the Fall Newsletter. To relax and be less stressed, I made three of my many UFOs.

A note from new State Rep, Judy Meyer

I am happy to report that I have been approved by the NAME Board to be your State Representative for Orange, Riverside and San Bernardino Counties in California. I hope to be in contact with the many clubs in my area and possibly attend one of your meetings. That won't be too hard as I belong to several of the clubs. If there are any questions or needs from clubs in my area, I will be happy to try to answer or get the answers you need.

I have additional sad news that Jackie Caron passed away last September 16, 2019. She was a longtime member of the Magic Inchkins Miniature Club, but had not attended our meetings for several years. Many will know her from miniature shows as a dealer selling doll molds and beautifully crafted dolls. I only received this notice from the family recently as I had sent her a Christmas card and they wanted to let me know about her passing.

I hope to have more to report in the future and if you need to contact me, my email address is judmeyer@verizon.net. Please leave your telephone number if you want me to call you personally.

Judy Meyer
State Representative
Orange, Riverside and San Bernardino Counties

Don't forget to notify your website administrator of any upcoming shows or events in your area! That way, they can go on the website between newsletters.

Club News

Albuquerque Mini Makers

From Susan Sheridan, NM State Rep & President, Albuquerque Mini Makers

Hello and Happy New Year!

The Albuquerque Mini Makers finished up this past year with our Oct NAME Day we had a great time with gift exchange, raffle drawings, potluck lunch and working on the kits in various sizes.

November we started working on the 3D Card project being taught by Peggy and Tina. We will finish up this project at our January meeting. In December the Holiday party was fun and we had a great gift exchange of minis.

Our club will be starting a project in February which will take several months to complete it is a quarter scale Cottage. Christiane Stark and Rose Furlong will be assisting and teaching everyone how to complete with stucco, siding, landscaping and light wiring. Everyone is looking forward to this project.

The club will plan other projects in between the months we are not working on the Cottage project.

Best wishes to everyone for the New Year.

Tucson Miniature Society

From Kathy Grissom
State Rep, So. Arizona

The Tucson Miniature Society (TMS) is again planning a busy year, as the club continues to add new members. After another successful show in 2019 the club has already started to work on the October 2020 Show and Sale. After the show in October a number of the vendors voiced their interest in returning for a Show and Sale in 2020. The dealers love to do the show, as the club members always put on a buffet including hot foods, so dealers and club members do not have to leave the show location for meals. The food and goodies are offered in a tucked away room, so it is also a good place to take a break, and grab some coffee or a cookie, or other snack.

The picture above shows the club projects from 2019. Lots more photos are available for viewing and scattered throughout the TMS Club Website, including the Gallery, if you have not yet checked it out. The website can be found at <https://tucsonminiatures.weebly.com/>. The club ended the year with their yearly Christmas party and gift exchange. They take a Christmas picture of the club members attending, but unfortunately I do not have it available to share as I was unable to attend the event.

This year the theme for the 2020 show and sale is southwest. The theme was chosen at the last business meeting of 2019. However, unlike the 2019 project, this year is not an actual kit. Last year during our show and tell during a meeting, a members shared a Casita kit she plans to construct this year. A basic template of her kit will be shared with the club members to create a Casita (tiny house). Many variations are expected, plus some members are expected to create other southwest surprises. This resulted in lots of excitement at our first meeting of 2020, especially since not all the projects are expected to be a Casita.

The club is also planning to offer short workshops after our meetings. We are lucky to have a meeting space with extra time reserved, and space to do projects after our meetings. When demonstrations were suggested, there was an overwhelming request for a workshop. There were some specific requests made but nothing definite has been chosen as of this report. The workshops will be all levels of ability from beginner to expert, since the club has all levels of experience in miniatures.

Orange County Miniature Guild

From Judy Meyer

State Rep., California: Riverside, Orange and San Bernardino Counties

The cute Soldier Clothespin Doll kit was given to our club by the daughters of a longtime member, Elizabeth (Beth) Bell. We passed the kits out to all club members at our December Christmas party. Shortly after the holidays, I was notified that Beth passed away the day after Christmas. This kit will always be an extra special gift from a wonderful miniaturist.

This planter is pure Laura and learning to age pots and make flower arrangements is one of her many talents.

On a much happier note, in 2020, we are starting to make kits to add to a front or back porch. The two floral kits we have finished so far were taught by Laura Crain who we are lucky to have in our Guild. She loves to share her talents with us and also has access to many other Artisans in obtaining kits for our club.

I was just told that we also lost another longtime member, Edythe Reed who was a very special lady and a very talented quarter scaler miniaturist.

Las Vegas Miniature Enthusiasts

From Janet Gordon for Sonia Burke, the new State Rep, So. Nevada
Brava Sonia! And, of course, congratulations to Jan Feldhouse, the new
Regional Coordinator for Region N-1

ALL HALLOWS FANTASY. Save the dates for **NEVADA STATE DAY 2020:** Friday, October 23, 2020 (6 p.m. to 9 p.m.) and Saturday, October 24, 2020 (9 a.m. to 4 p.m.). See the registration form below and on our website, lvminiatures.org, Email Lorrilee Stackhouse at lorrilee@cox.net with any questions.

Two of the special items you will get at Nevada State Day are shown below.

We had to celebrate NAME Day in November, but we still had great fun. (Jan Feldhouse & Joy O'Grady at work.)

Judy O'Brion gave us the kits to put together clothespin Adirondack chairs. They are very cute.

Show and Tell: Sonia Burke showed how to make a mini snow globe with jewelry endcaps, the cut tops of brush Christmas trees, and "globe earring posts" from Hobby Lobby. Sonia is a fine jewelry maker, mini and regular!

Rosalie Pinske from Edmonton, Alberta, Canada visited us from the Edmonton Miniature Club. She makes beautiful and well-priced miniature crocheted items. We enjoyed her company and artistry.

Our members skill and creativity were on display for our holiday party gifts.

Take a look!

Our President, Janet Downing, shared a special mini Christmas story.

My Miniature Christmas Trip

My little sister and husband took my older sister and me to Chicago for a weekend -- Dec 6th -8th. All the way from Las Vegas to Chicago, we set off for some fun. She wanted to take us to the German Christmas Market and me to my first miniature and dollhouse shop. I was so excited to see Chicago at Christmas with all the lights and carolers singing in the street. On Saturday we went to Elgin, a small suburb of Chicago, to an adorable shop named Lolly's Doll Houses and Miniatures. The owner's name is also Janet. I walked in and the first thing I see are dolls and put two of them on the counter. Janet asks if I wanted a basket and my sisters and I said yes. She had so much to look at. I was in heaven. There were 4 tables of sale items. The first item I picked up was a beautiful green settee. It had a sale price sticker of \$6 dollars on the bottom; I was so excited over my find. I was showing it to everyone; my sisters thought it was beautiful. After shopping and going back to the hotel my sisters and I wanted to check out our great finds. We all sat on the bed and opened our finds. As I peeled the sticker off the bottom of my green settee, stamped on the bottom it said *Las Vegas Miniature Enthusiasts NAME REG N1 House party 81*. I just sat there staring at it. My sisters ask what's wrong, I said nothing. I told them what it said and showed them. They couldn't believe the first piece of

furniture I picked up was from our local club. I said "it's Christmas; that's what a miniature miracle is." We all laughed and kept staring at it. We had the best time together and made more Christmas memories.

We have a different and exciting format arranged for you. No two creations will be the same. Your unique 1:12 **fantasy** can be an inside or an outside scene in a room box provided to you. You can have a door and a window put in if you would like. Supplies will be available for you to choose your own design. You may even want to bring your own special pieces.

We have plenty of ideas to pique your interest.

And, remember, there are other spirits and creatures in the woods at that time besides witches, skeletons, ghosts, and black cats!

Our first workshop will take place at The Holy Spirit Lutheran Church, 6670 W. Cheyenne, Las Vegas, NV 89108, on Friday evening October 23 from 6 p.m. to 9 p.m. when we will be building our room box and creating some special projects for our house.
